PRIVATE MUSIC LESSONS AT THE NORTHWEST YMCA

We also offer lessons at our East, Downtown, and Manlius branches, but those sites use a separate registration form. Currently, our program includes Guitar, Piano, Voice, Violin, Viola, and Ukulele. Not all instruments may be available at all locations, depending upon instructor availability.

INFORMATION AND POLICIES REGARDING MUSIC LESSONS

1. Starting ages (for youth): piano, viola and violin, age 5; guitar and ukulele, 6; voice, 8.
2. All students must own or rent an instrument. Piano students should have access to an acoustic piano or a digital piano with at least 76 keys.
3. Parents are encouraged to attend lessons, as long they do not interfere with instruction.
4. Students may be required to purchase and bring books or other materials to their lessons.
5. All music lessons are private and held only at YMCA Facilities. Home lessons are not available.
6. To register, complete and sign the form below, and bring it to the front desk of the YMCA, in an envelope marked “Arts Branch – Music Lessons.” We will contact you to make arrangements. Please sign and date your form; unsigned forms cannot be processed.
8. To cancel a lesson, please call your instructor at least 24 hours prior to the lesson time to avoid being charged. You will not be charged for lessons canceled by the instructor.
9. If you decide to stop taking lessons with the YMCA, please notify your instructor and the Arts Branch director at least one week in advance.
10. Billing Procedures:
   - On the 20th day of each month, all Northwest Y music lessons students are billed for three lessons to be taken the following month.
   - The credit or debit card used for this transaction must be provided at the time of registration, on the attached form. You will not be charged for any lessons until you been successfully scheduled with one of our instructors.
   - If a student takes more than three lessons in a given month, any additional lessons will be added to their bill in the following month.
   - Commitment to regular attendance is important for success in music. Partial refunds are not given if the student attends fewer than three lessons per month. Where possible, instructors will work with students to schedule make-up lessons.
   - If you decide to discontinue lessons, you must inform the Music Lesson Coordinator no later than the 10th day of the month, so that we can prevent you from being charged for the next month’s lessons.
