Mission
To put Christian Principles into practice through programs that build healthy spirit, mind and body for all.

Character Development
Like all Y youth programming, activities at summer camp promote the values of Honesty, Respect, Responsibility and Caring. It is the goal of the camp staff to foster and recognize these values throughout the camping experience.

Volunteer Opportunities
There are opportunities in each Y camp for volunteers who have a desire to work with youth in a group setting. The Y focuses on developing and enhancing valuable leadership traits in a fun, safe and value-oriented environment. Interactive training, team building activities, and hands-on learning experiences will foster the skills necessary for serving youth in a positive work setting. Please contact Allie Clarke for application details.

Camp Staff
Camp counselors are enthusiastic individuals who are committed to providing a safe, diverse, and fun program for all campers. We screen, interview, and select all camp staff based on their ability to work effectively with children. Before the start of camp all staff undergo trainings which include: camp policies and procedures, emergency and safety regulations, child abuse prevention, behavior management and creative age-appropriate programming. At least one CPR, Responding to Emergencies (full-day camps) and First Aid certified staff is with each camp at all times.

Monday–Thursday
9:00a.m.–4:00p.m.
Session 1: July 1–12
Session 2: July 15–26
Session 3: August 5–16
The Y takes great strides to develop today’s youth and help them become the strong and confident leaders. The Leadership in Training Program builds leaders through meaningful service work and leadership development trainings.

What is the Leadership in Training Program?
The LIT program is designed to develop and strengthen the leadership and self-awareness skills of teens. Through leadership development trainings, team building, values activities and volunteer work, teens will leave the two week program feeling more confident and prepared for future job opportunities.

Who can be an LIT?
Any teenager 14–15 currently enrolled in high school.

How do I apply to be an LIT?
Following registration to your LIT session, stop by the East Area Family YMCA Member Service front desk and ask for the Leadership in Training program application. This application will provide you with information necessary for a successful LIT summer, and give you some pre-summer training dates.

LITs should have an interest in working with children in camp settings and a desire to develop leadership and problem solving skills to assist them in future leadership roles.

Junior CITs should have an interest in working with children in a variety of settings. The programs request a commitment of at least 3 weeks throughout the summer to ensure desired skills are learned and practiced throughout the summer. Along with assisting camps, Junior CITs will participate in leadership development, problem solving and communication building activities throughout each week. This is a great introductory program for anyone interested in taking their leadership skills to the next level at camp!

BEHAVIORAL GUIDELINES

Our first step in discipline is prevention. The staff are trained to be proactive to prevent behaviors prior to the trigger.

Step 1: Staff will be proactive in preventing negative behaviors.

Step 2: Staff will address the behavior in a calm manner and redirect the child to a more positive approach. Staff will discuss with parents at pick up the occurrence.

Step 3: If behaviors continue staff will complete a behavior reflection with the child to encourage them to develop a better outcome. Staff will share this with the parents at pick up.

Step 4: If 3 behavior reflections have been filled out in a week period for similar occurrences, staff will request a meeting the parent outside of program time to discuss the next step. At said meeting the staff, parents and child will fill out an action plan which states the steps everyone will take to create a positive experience.

Step 5: If behavior continues the child will be suspended for 1 day.

Step 6: If behavior continues the child will be suspended for a minimum of 2 days

Step 7: If behavior occurs again the child will be suspended from the camp.

*The above steps can be bypassed based on severity of the actions and behavior. Camp payments will not be refunded due to behavior related suspensions from the program.

- Children who attend programs/visits outside of our YMCA must provide camp staff dates, times and the mode of transportation in advance.

REFUNDS & CAMP SWITCHES

- All camp administration fees are non-refundable and non-transferable.
- A two week written notice is required to receive a refund – minus your administration fee – for any week of camp. Failure to provide a written notice two weeks before the start of camp, or failure to attend camp, will result in caregiver being responsible for charges for the week’s full amount.
- There is a $10 processing fee for all refund checks.
- 2 weeks written notice via email must be provided to the bookkeeper to switch camps.

FINANCIAL ASSISTANCE

- All children should be able to experience camp! Through support from our Annual Support Campaign, financial assistance is available. In order to serve as many children as possible, assistance for more than 2 weeks is rare and handled on an individual basis.
- All funds will be awarded on a first-come, first-serve basis in accordance with each camp’s available space.
- Each week requires a $10 deposit per child per week when registering with financial assistance or DSS. (Y financial assistance cannot be combined with DSS assistance.)
- Upon receiving financial assistance notification the acceptance letter must be returned by indicated date to retain camper’s spot in camp.
- You may request an application for assistance at the member service desk or download one from our website.
- Scholarship application deadline: First come, first served
