SWIM LESSONS

September 8 - October 19

Here's what you need to know!

Currently enrolled in our Summer Session of lessons?

- Pick up your Certificate of Achievement and Registration Form from our Relationship Builder desk on the pool deck at your last class or in the Aquatics Office if you are unable to attend your last class (between Sunday August 11th and Saturday August 17th by 1pm)
- Turn in your Registration Form to the Aquatics Office no later than Saturday August 17th at 1pm to register for the next session.

Not currently enrolled in our Summer Session of lessons?

- Choose one of the Swim Assessments to attend, all participants will need to have a Swim Assessment from August to register for the Fall 1 Session.
- Our Swim Assessments are on a first come, first serve basis. We have a sign up sheet at our Relationship Builder desk on the pool deck at the start time of each assessment with time slots you can sign up for.
- Each Swim Assessment takes about 5 minutes to complete. If your child is under the age of 3, a parent will need to be in the water with them for the assessment.
- After your assessment you will receive a half sheet of paper with your assessed level and at that time you may fill out a Registration Form that you will place into the drop box between August 11th and August 18th, and will be processed with our Drop Box Registration the following week.
- If you are unable to attend one of our assessments, please check with our North or Northwest YMCAs to see if you can attend one of their assessments.
