STAFF AND SUPERVISION
Staff
At College for Kids, we take hiring very seriously to make sure instructors and counselors are qualified and trained to provide the safest and best environment for all students. Every staff member is trained on all of our policies and procedures, along with handling difficult behaviors and creating a bully free environment.

Supervision
With College for Kids being a licensed program, our staff-to-child ratio is 1 staff to 12 children at all times. This is to allow the best supervision and success of our students. Any student who needs to leave their classroom to use the restroom or for any medical reason will be accompanied by another counselor and will visibly be seen by at least two people to ensure the ratio is never 1 staff to 1 student. On the first day of class, students will have all policies explained to them so they understand to not leave the classroom alone.
VISITORS
At least one College for Kids staff member will remain at building entrances and exits at all times. Any visitors entering the building will be required to sign-in and wear a visitor’s badge. This includes anyone picking up their child early, visiting the camp office, or conducting regular business.

TRAFFIC FLOW
All cars will enter Mulroy Hall on the east side of the building (closest to Velasko Rd.) and exit the parking lot via the west side (closest to the Meadows Apts.) Officers will be on hand to assist in the direction of traffic and parking.

In the case of inclement weather, students will eat lunch in the classrooms. A "Make New Friends" table will be designated for any students who are looking to make new friends at camp. This table will be at the front of the tent.

An important note while packing lunches and snacks is that College for Kids is now a NUT FREE camp. We have many students and staff who have severe allergies (some triggered by smell) and we want to create a safe environment for all. Thank you for keeping everyone safe while packing food for camp.

Your child may bring a bagged lunch with drink (no refrigeration available) or purchase a lunch plan for $35/week. Snacks will be available for the purchase of $1 or less per item. Vending machines are available to purchase cold drinks. They are located on the 2nd and 4th floors of Mulroy Hall. Students will only be permitted to purchase items from the vending machines on their way down to the lunch tent. No trips to the vending machines will be made during class time.

Students will have an opportunity to participate in lunchtime activities during the last 20 minutes of lunch. Activities may include parking lot games, chalk art and more. Students should wear appropriate, close-toed shoes.
CODE OF CONDUCT

Students will be required to sign a Code of Conduct on the first day of each week at College for Kids. Students and classes are most successful when there is a respectful and positive environment. The process for any infractions on our Code of Conduct is as follows:

1. On the first offense, students will be given a verbal warning and the Head Counselor will be notified.
2. On the second offense, students will be removed from the activity and will speak with the Head Counselor.
3. On the third offense, students will be asked to sit in the Camp Office until it has been determined that they can participate in class respectively or a parent/guardian will be asked to pick their child up.

Certain infractions may result in suspension or expulsion of College for Kids without a refund. Please make sure that your child is aware of the Code of Conduct prior to arriving; it has been added to the last page of this guidebook. This has been implemented to ensure the safety of everyone and to allow all students the opportunity to experience an enjoyable summer. Thank you for your understanding and cooperation.

SEE YOU SOON!

I hope this information has been useful and informative for you! A reminder that all feedback is valued and taken seriously, as it is my goal that every child and family has a positive experience. I am also happy to answer any questions or concerns you have, so please do not hesitate to reach out. I am really looking forward to meeting you!
