OVERVIEW
Our camps were created to keep children active and engaged over the summer, with tons of great options available. Our counselors are all trained, enthusiastic individuals committed to providing safe, diverse, FUN programs for all campers. We screen, interview, and carefully select all staff based on their ability to effectively work with children.

REGISTRATION PROCESS
Please complete the registration form included with this guide for your camp selections. One of our Member Service Representatives will be able to assist you with any questions and accept your $20 non-refundable deposit per camp to register your child(ren). You may also register online: ymcaeny.org/myaccount

The pricing listed in this brochure for each program is based on one week of camp.

SCHOLARSHIP OPPORTUNITIES
The Y believes that every kid deserves the opportunity to discover who they are and what they can achieve. With the support of generous donors contributing to our Annual Campaign, the YMCA of Central New York is gearing up for another summer of making a big impact on kids in our community by providing financial assistance to families in need. If you believe your family may qualify for a financial scholarship for one of our program camps, please contact Pete (pcass@ymcaeny.org), Renee (rstoriale@ymcaeny.org), or Meryl (mjohnson@ymcaeny.org).

INCLUSION SUPPORT SERVICES
Through the Y’s partnerships with Access CNY and the Office of People with Developmental Disabilities, our Y is able to offer support services to children with developmental disabilities. Support staff are available in all Y summer day camp programs on a first-come, first-served basis providing kids with disabilities the opportunity to enjoy a successful summer camp experience in an inclusive setting. Pending approval through OPwDD, children will be provided either 1:1 or shared support during the camps, with the level of support determined on a case-by-case basis. Certain paperwork and information above and beyond the camp registration forms are necessary to submit your inclusion support request.

Please contact our Inclusion Coordinator to secure summer camp support for your child at (315) 451-2562 x205.

HEALTH AND SAFETY
The YMCA will consider reasonable accommodations to its policies to allow children to enjoy equal benefits of this program. Contact the YMCA if your child may require accommodations. Summer Odyssey and Camp Horizon are both licensed and inspected twice each year by the Onondaga County Health Department. Inspection reports are on file and can be requested at: Onondaga Co Health Dept. Division of Environmental Health, John H Mulroy Civic Center, 12th floor, 421 Montgomery St., Syracuse, NY 13202
